**£300 Up to 60 Children + Adults**

WHY NOT ADD AN EXTRA HOUR FOR JUST £100

We can cater for you

The most popular option is we cater for the children and you bring in nibbles for the adults or we can just do it all!!

Choose platters from our list, a member of staff can advise you on how much food you will need for the amount of guests you have invited. If we cater for you we will provide, Plates, Cups, Napkins and Cutlery

OR

Bring in your own food and squash for the children (no nuts, or nut products, raisins or popcorn allowed on the premises). **You must** supply all your own paper plates, paper cups, Napkins rubbish bags etc.

All drinks must be purchased from us.

Our servery will remain open throughout Your party for all guests to purchase drinks and confectionary from Fun Junction

Please note; we do not recommend for the children to have a sit down meal if you have more than 25 children, (Adults will have less seating if you use tables for children to be seated and if you sit them down you may need to provide more food)

A £50 non-refundable deposit is required to secure your party slot. Final balance is payable 5 days before your party date.

Please call us on 01992628422 to book your party.
